**Application for Health and Safety assessment for the CHAS scheme – Our Ref: HSM/JW/2011/1204**

Dear Mr KilBride,

I have now completed my assessment of your application. You were required to respond to a number of health and safety questions that were used in my assessment of your policy, organisation and arrangements for health and safety.

I am pleased to inform you your application is compliant and this has been recorded in the CHAS scheme database. You should not take compliance within CHAS as a right of entry to clients approved or select list. They have a right to ask for additional health and safety information in future applications or for invitations to tender.

We do not automatically issue a certificate of "CHAS Compliance" as this could, in certain circumstances lead to abuse of our copyright and loss of revenue. You are welcome to tell clients you have been assessed as compliant by CHAS. Our client members can verify your compliance status by checking our database or by seeing a copy of this letter.

If you feel you would like your company to have a "Certificate of Accreditation" (and become a CHAS Accredited contractor) with a CHAS Certificate and license for the use of the logo on livery and stationery, you should visit the CHAS website [www.chas.gov.uk](http://www.chas.gov.uk) "What is Accreditation?" for further details. (Please note this will require a commitment to an annual CHAS assessment).

One of the aims of our scheme is to reduce unnecessary duplication. In the event your company is asked to complete a CHAS or similar questionnaire by one of our members (list on the web site) please contact them before completing that application to verify what is required.

Please visit the CHAS web site for any further information about the scheme.

Yours sincerely

Jason Wiggins GradIOSH
